“ My condolences to the entire family. I remember "Uncle Jack" vividly from birthday parties and picnics and other family gatherings. I apologize for not being able to attend his viewing but we were also dealing with a family death this week. Please know that my thoughts and prayers are with you all, especially Helen and Noni.

“ Sorry to hear about this. I remember him rolling up to pick your mom up in that classic blue car growing up in Duquesne. Good times! You are all in my prayers.
